

Sports/Outdoors

The Mishicot Sportsmens Club held a dinner celebrating its 50th anniversary earlier this month and presented plaques to four members who were among the charter group which organized the club. They are, from left, Marvin Peltier, Ray Kronforst, Arthur Heyroth and Club President Dennis Remiker who accepted for the absent Roman Hallada. Kronforst surprised the group by wearing a Fish and Game button issued to him in 1936 when he was already a member of another county unit. About 135 members attended the dinner at the La Fiesta Club.
